Our aims:

The overarching aim of BASP is to promote the advancement of Stroke Medicine within Great Britain. BASP does this by several means including:

1. Developing and influencing local and national policy on stroke
2. Providing expert advice on all aspects of stroke care
3. Leading on clinical standards for stroke
4. Promoting and disseminating research in stroke
5. Improving and assuring the training of doctors in stroke medicine

Membership Fees

- Full Member: £195 per year
- Associate Member: £30 per year
- Retired Member: £30 per year
